

*PAPER SHREDDER FOR DESKS AND OFFICES*

# SBS-108 • SBS-105

**FEATURES:** This professional shredder is ideal for central location in a mid-size busy office.

except  
HS Level 6

- Ideal for 5–7 person office in need of a centralized shredder.
- Auto start/stop via electronic eye.
- Reverse button for overfed paper.
- Crosscut models can cut up to approximately 18 sheets per run; Strip cut: up to 30 sheets per run (see specifications).
- Auto stop and container full indicators.
- Hardened steel cutters can handle the occasional standard paper clips or staples (excluding level 6 high-security shredders).
- Strip cut model can shred credit cards and CD/DVDs in addition to paper!
- Powerful, specially adjusted motor for longer periods of use—with thermal protection for high performance.
- The tried-and-tested closed-tooth wheel drive prevents penetration of dirt and slows wear, increasing the service life.
- Enclosed housing protects against the spread of paper dust.
- Crosscut shredders should be oiled regularly to maintain top working condition.
