

PAPER SHREDDER FOR OFFICES

SBS-1214 • SBS-128

FEATURES: This professional shredder is ideal for a central location in large offices.

- Auto start/stop via electronic eye.
- Auto stop when container is full or door is open.
- New auto stop with LED plus auto reverse in case of a paper jam.
- Can cut up to approximately 11 sheets per run (see specifications).
- Powerful, specially adjusted motor for longer periods of use—with thermal protection for high performance.
- The tried-and-tested closed-tooth wheel drive prevents penetration of dirt and slows wear, increasing the service life.
- Enclosed housing protects against the spread of paper dust and provides for “whisper quiet” shredding.
- Mobile for shared use.
- Crosscut shredders should be oiled regularly to maintain top working condition.
