

PAPER SHREDDER FOR IT DEPARTMENTS AND OFFICE FLOORS

SBS-1640H

FEATURES: With its practical filling hopper, the Primo 4021 is the answer if crumpled paper is frequently the material to be shredded.

- Keypad for constant operation and reverse.
- Auto stop when container is full or door is open.
- Fully integrated, mechanical-compression device for crosscutting units.
- Specially hardened steel cutters can handle occasional standard paper clips or staples.
- Practical storage space with optional paper trays for paper stacks. (Paper trays available for purchase.)
- Specially convenient pull-out system for removing the integrated, sturdy, reusable shred-bin bag.
- Powerful, specially adjusted motor for longer periods of use—with thermal protection for high performance.
- The tried-and-tested closed-tooth wheel drive prevents penetration of dirt and slows wear, increasing the service life.
- Enclosed housing protects against the spread of paper dust and provides for “whisper quiet” shredding.
- Filling hopper for crumpled paper with an integrated pre-compactor.
- Crosscut shredders should be oiled to maintain top working condition.
