

PAPER SHREDDER FOR IT DEPARTMENTS AND OFFICE FLOORS

SBS-1785

FEATURES: With its practical filling hopper, the SBS-1785 is the answer if crumpled paper is frequently the material to be shredded.

- Keypad for constant operation and reverse.
- Auto stop when container is full or door is open.
- Large filling hopper and integrated, rotating loading aid.
- Hardened steel cutters can handle occasional standard paper clips or staples.
- Practical storage space with optional paper trays for paper stacks. (Paper trays available for purchase).
- Convenient pull-out system for removing the integrated, sturdy, reusable shred-bin bag.
- Sturdy chain drive for maximized throughput.
- The tried-and-tested closed-tooth wheel drive prevents penetration of dirt and slows wear, increasing the service life.
- Enclosed housing protects against the spread of paper dust and provides for “whisper quiet” shredding.
- Photoelectronic cell for automatic start/stop control.
- Modern electronic controller.
- Standby mode with LED indicator.
- Convenient automatic reverse in the event of a paper jam.
